This image shows a detailed map of a road network. A specific area is highlighted with a red rectangular box. Above this box, the word "מזור" (Mazor) is written in Hebrew. The map features yellow lines for major roads, green lines for minor roads, and dashed lines for paths or boundaries. There are also some blue and red markings. The overall layout is a grid-like street plan.

An aerial map of a forested area with a winding red line. The number '94' is printed in red at the bottom center of the map.
