A detailed topographic map of the area around Kiryat Atzmon. The map shows a network of roads, including a major road labeled '551' and '554'. There are several clusters of buildings, some of which are labeled with names like 'קריית אצמון' (Kiryat Atzmon) and '551'. The terrain is depicted with green areas representing vegetation and brown areas representing built-up or cleared land. The map also shows some water features, such as a small body of water labeled '551'. The overall layout is a grid-like pattern of roads and buildings, with some areas of open land or fields.
