An aerial photograph showing a residential neighborhood. Several single-story houses are visible, surrounded by lawns and mature trees. The streets are paved and appear to be in good condition. The overall scene is a typical suburban residential area.

**עֲקָעָה**

An aerial photograph showing a large industrial complex. The facility includes several large rectangular buildings, some with multiple stories and dark roofs. There are also numerous smaller structures, including what appear to be storage tanks or silos, and various utility buildings. The surrounding area is mostly flat land with some sparse vegetation and paved roads.

**3**

An aerial photograph showing a residential neighborhood. Several single-story houses are visible, surrounded by lawns and trees. A blue line highlights a specific path or boundary across the scene.

An aerial photograph showing a residential neighborhood. Several single-story houses with different roof colors (brown, grey, white) are visible, surrounded by lawns and trees. A paved road runs through the center of the image.

**1** **באר שבע**

An aerial photograph showing a residential neighborhood. Several single-story houses with different roof colors (brown, grey, red) are visible, surrounded by lawns and trees. A paved road runs horizontally across the middle of the frame. The overall scene is a typical suburban residential area.

An aerial photograph showing a residential neighborhood. Several single-story houses with different roof colors (brown, grey, red) are visible, surrounded by lawns and trees. A blue line highlights a specific area in the foreground.

An aerial photograph showing a residential neighborhood. The area consists of several single-story houses with different roof colors (brown, grey, red) and various types of exterior walls (light blue, white). The houses are surrounded by green lawns and some mature trees. A paved road runs horizontally across the middle of the frame, and a few other roads branch off from it. The overall scene is a typical suburban residential area.

卷之三

An aerial photograph showing a cluster of houses with red-tiled roofs, surrounded by green trees and lawns. The image is framed by a thick black border.

An aerial photograph showing a cluster of houses with red roofs, surrounded by green trees and some bare ground. The houses are arranged in a semi-circle, with one prominent house in the foreground on the right.

**Figure 1.** Aerial photograph showing the location of the study area (indicated by a purple rectangle) in the northern part of the city of Isfahan, Iran.
