Askim.

On the South: by the property of Bernari Maris and Izidor Eshler, Levontin Street, by the properties of Benjamin Ivri and by Shabatay Levy Street.

E. CONDITIONS.

According to the Haifa Outline Town Planning Scheme and any enacted additions and amendments which have been or may from time to time be made thereto, and also the following:

a. Zonal Residential District 'O' coloured yellow on the plan.

b. Road Alignments, Building Lines and Set-Backs.

The width of roads, the minimum distance between road and building lines and the minimum prescribed set-backs shall be as shown on the plan.

All building and road corners shall be cut as shown on the plan.

c. Arcades.

Arcades on ground level carrying two storeys and covering the areas coloured yellow and hatched grey on the plan may be built in front of the building line.

F. AMENITIES.

a. Drainage.

Towards the drains of the Haifa Municipal Drainage System.

b. Sewerage.

Each house shall be connected to a municipal sewer at the owner's expense.

All plots shall give free right of drainage and sewerage to all adjoining plots and to plots at higher levels.

c. Water Supply.

All buildings shall be connected to approved local piped water supplies or to a piped supply operated by the Haifa Municipal Corporation.

d. Shops.

Shops shall only be allowed on the ground floor of main buildings on parcels Nos. 93 and 111 of Urban Assessment Block No. 57, and parcels Nos. 21, 31, 33 and 36 of Urban Assessment Block No. 69, in rooms fronting the roads and only along such parts of frontages as are indicated on the plan by a dark violet line.

All shops shall have clear and unobstructed areas at pavement level between such shops and the road line, to be constructed at the owner's expense in accordance with the Haifa Standard municipal specifications for sidewalks and kept free from any obstruction.

Where arcades are indicated on the plan, the areas below such arcades shall be constructed and properly maintained by the owners of the buildings in accordance with the specification referred to above, and shall be kept free from any obstruction.

e. External Design.

Where arcades are indicated on the plan, the Local Building and Town Planning Commission may exercise full control over the design of these arcades and of the facades of the buildings above them.

f. Trades & Industries.

Only those trades and industries shall be carried on within the borders of the scheme which are normally allowed in a Residential District 'C'.

g. Roads.

The frontagers on both sides of the streets shall pay for the construction of stormwater drains and roads to the full carriageway width not exceeding $7\frac{1}{2}$ (seven and a half) metres, in accordance with standard municipal specifications, before building development is allowed on abutting plots.

h. Betterment Tax.

Betterment tax may be recovered in respect of this scheme in accordance with the provisions of Section 32 of the Town Planning Ordinance 1936, as amended by Town Planning (Amendment) Ordinance No. 5. of 1939.
